PURPOSE OF THE MEETING

CLOSED SESSION

Council entered into Closed Session in order to discuss the purchase of property and a legal matter.

RETURN TO OPEN SESSION

After returning to Open Session there was some discussion regarding the sewer overflow which occurred in Wood's Harbour on July 2, 2002.

Moved by D. Hunt and seconded by L. Halliday that the proposed agreement between the Municipality of the District of Barrington and Ms. Joanna Goreham, which was reviewed by Council tonight, be forwarded to Ms. Goreham for signing.

Motion carried.

SOUTH WEST SHORE DEVELOPMENT AUTHORITY

Some discussion then followed regarding the South West Shore Development Authority and its involvement in the Visitor Information Centre Project. One councillor expressed the sentiment that he would prefer that the South West Shore Development Authority and Vaughan Engineering not be involved in the Visitor Information Centre Project at all.

Following a lengthy discussion of the value of the South West Shore Development Authority to the Municipality, no further action was deemed necessary at this time.
