Dear Warden Nickerson:

RE: PROCESS FOR ADOPTION OF RESOLUTIONS

Thank you for your letter to NSFM regarding our resolution process. Barrington's continued interest in improving this process is valued.

As you may know, NSFM is undergoing significant change. We are turning our focus to more assertive and effective advocacy, we are growing our human resource capacity by adding a communications advisor and we are reviewing our governing policies and procedures.

This latter part is just getting underway and we expect it to take several months. The membership will be consulted throughout the process and will include, among other things, a review of the by-laws and the resolutions process.

Given the time needed to undertake this review, any changes to be voted on by the membership will not take place until 2020.

We look forward to working with you as we make changes to NSFM that strengthen our voice and our effectiveness in representing our members.

Sincerely,

Councillor Waye Mason
President, NSFM
