Mr. Eddie Nickerson, Warden
Municipality of the County of Barrington
2447 Highway 3
PO Box 100
Barrington NS B0W 1E0

Dear Mr. Nickerson:

I would like to congratulate the community of Barrington for achieving Atlantic Region finalist status for ParticipACTION's first annual Community Better Challenge!

This challenge encouraged Canadians to move more and track their activity. Nova Scotia fared well in the challenge with 88% of potential communities participating and two communities progressing to the finals for the Atlantic Region.

The community of Barrington has good potential to successfully address physical inactivity and is a valued member of the Municipal Physical Activity Leadership Program. I am pleased that the community has been acknowledged and my staff look forward to working with you more in the future. Working with communities like yours is essential to achieving the goals of Let's Get Moving Nova Scotia.

Once again, congratulations on the achievement!

Sincerely,
