As per section 6.2 of the cost share agreement 2018-004, the Province is required to notify the Municipality in writing of any cost overruns of more than 10% on approved projects for the current fiscal year.

The Department is prepared to proceed with this work but the Municipality's approval of these costs is required in order to award the contract. An immediate response is requested so that this project may proceed within the current construction season.

Please indicate on the attached list whether the Municipality wishes to accept or decline the new tender (and cost share) amounts. The department will proceed to award the projects that have been accepted by the Municipality. Sign the attached page and scan and email this document back to laura.cunningham@novascotia.ca.

Yours truly,

Laura Cunningham
