Good morning!

Sou'West Nova Transit is applying for designation as a municipal service, which will allow us to receive some tax benefits. ([https://www.canada.ca/en/revenue-agency/services/forms-publications/publications/rc4049/gst-hst-information-municipalities.html#P209\\_17574](https://www.canada.ca/en/revenue-agency/services/forms-publications/publications/rc4049/gst-hst-information-municipalities.html#P209_17574))

The individual who is processing our application contacted me yesterday requesting that letters from our major provincial and municipal funders be added to our file that indicate that continued funding passed this fiscal year (amounts not required - just intention of continued support) will be received.

We apologise for any inconvenience, but we would be very grateful if you would be able to provide us with such a letter that we could send along!

Please let me know if this would be possible and if you have any questions! Thank you in advance!
