To Whom It May Concern:

I am writing this letter regarding my property at 27 Knowles Road, Highway 3 in Barrington Passage.

Please consider this my request to have the above mentioned property decommissioned as a municipal heritage property.

As there are upgrades necessary to the house I feel it would be too difficult and expensive to keep it as a designated heritage property.

I can be reached at (902) 637-2857 when you have made your decision.  
Thank you for your time on this matter.

Sincerely,

James L. Knowles
