Re: Property Tax Exemption - AAN 03788687 - PID 80065980

As you are aware, on May 2, 2019, the Municipality of the District of Barrington deeded the former Port Clyde Fire Hall property to the Clyde Area Community Centre Association, a non-profit organization registered under the Societies Act of Nova Scotia.

On behalf of the Association, I respectfully request that the Municipality grant the Clyde Area Community Centre Association a tax exemption.

Thank you for your consideration of this matter.

Sincerely,

Della A. Smith  
President
