DISCUSSION - REQUEST FROM TYLER NICKERSON TO EXTEND MUNICIPAL SEWER

Tyler Nickerson and Wesley Nickerson were present for this portion of the meeting.

Tyler Nickerson is requesting the Municipality to change their plans to install an 8 inch sewer lateral across Highway No. 3 near the Ground Search and Rescue building in Barrington Passage. Mr. Nickerson is requesting that the lateral be extended across Highway No. 3 near the Masonic Lodge in Barrington Passage to accommodate his planned development in that area. He has plans for the construction of 2 fourplexes and a mobile home park in the general area of the Starboard Inn. He would like to connect both developments on one lateral which he plans to run from the Highway Right-of-Way to the proposed mobile home park property, as per the diagram contained in the Power Point Presentation made on October 21, 2019. Once completed he will be requesting the Municipality to take over the lateral serving the two projects.

One option suggested at the last Committee meeting was to install sewer laterals at both locations. A lateral could be installed to accommodate Mr. Nickerson's developments now and the lateral near the Search and Rescue building could be installed next year or when development commences in that area.

Resolution COW191101

Being duly moved and seconded that it be recommended to Council that the Municipality change the location of the proposed lateral installation from the Search and Rescue Building to Civic No. 3386 to accommodate Tyler Nickerson's development near the Starboard Inn, in Barrington Passage.

Motion carried unanimously.

It was suggested that Mr. Nickerson work out the details with the CAO for the installation of a sewer line to be taken over by the Municipality at a later date.

Mr. Nickerson requested a letter, addressed to his company, Grand Multip, supporting their project to develop a Mobile Home Park.

Resolution COW191102

Being duly moved and seconded that it be recommended to Council that a letter of support be provided to Grand Multip supporting their project to develop a 24 unit Mobile Home Park, in Barrington Passage.

Motion carried unanimously.
