I am a avid runner and have always loved participating in the Marathon. It is great to see so many active folks enjoying our community. I want to help in any way possible to help make this race maintain its reputation and ensure it is around for another 50 years.

Good morning misty

Please accept this as my formal request to vacate the position of representative for the town of Clarks harbour on the marathon committee. I've enjoyed my time however trying to downsize my responsibilities. Thank you for passing on to the committee.
