Subject: Naming a street

Good day Chris,

This is John Shaar from Northeast Point, NS. I'm writing today to ask that the following request be put on the next agenda of the Municipality's council meeting.

Dear Warden and councillors,

The last 13 months have been a huge challenge for all of us, Canada and Nova Scotia were and still are in the grip of Covid-19, with over a million infected and over 23600 dead. We, in Nova Scotia have fared relatively well with minimal cases and deaths compared to the rest of the country. Although, credit is to be given to all Nova Scotians who did their part to control the spread of Covid-19, it was the leadership of Premier Stephen McNeil and Dr Robert Strang that have played the biggest role in keeping us safe and saving Nova Scotians from the pain of losing loved ones.

I'm writing today with a request to name a street or building after The Honourable Stephen McNeil and Dr Robert Strang. By doing so, we would show our appreciation to these 2 individuals especially in our Municipality that hasn't seen any death or infection that I'm aware of.

In appreciation,

John Shaar
