As you can see from our financial statement we have only held one fund raiser last year. Then COVID struck. We will not be doing anything in the fund raising until restrictions are lifted. We did receive money for a student but have not hired anyone, as no one has applied.

We let the insurance go but will be putting that back on. So another expense probably around \$800-\$1000.00. The roof is leaking in one place. My contractor has stopped that for now but it needs to be done. I am looking into grants. Any more info call me Sherry Sears 902 723-0346

Thank you
