**Re: Housing Initiative**

Dear Trudy, Chris, Joyce & Tammy

The Town of Shelburne Council recently met and discussed a meeting that had been held with the Tri-County Housing Coalition along with Councilors, municipal staff and housing representatives from the western region. Deputy Mayor Acker indicated a sub-group is being formed in the area and noted that *Robin Walker of Tri County Women's Centre* in Shelburne has agreed to step up as moderator if a group can be established.

We are seeking support from each municipal unit to volunteer a representative (council or staff) to be a part of this more strategic sub-group. Please contact Robin Walker at [shelburne@tricountywomenscentre.org](mailto:shelburne@tricountywomenscentre.org) or by phone at (902) 875-4777 with the name of such from your unit.

We look forward to working together on Housing Initiatives in our County in the near future.

Yours Truly,

Harold Locke  
Mayor, Town of Shelburne
