Subject: FW: RAC Committee

Hello Chris,

I have been in touch with Misty James regarding the opening on the recreation committee and she indicated that I was to contact you.

I would be interested in sitting on the committee to represent our district 5 for potential recreation activities.

I would be specifically interested in promoting Pickle Ball and Lawn Bowling as activities to be considered. Although I have not personally played pickle ball, my wife has on several occasions and she enjoyed it (however, she had to go to Shelburne to play). We have both been involved in a lawn bowling club at our previous residence and enjoyed it immensely. I believe that both activities would contribute greatly to the community and that there would be enough interest to seriously consider them.

Please let me know if this would be feasible.

Thank You,

Steve Kelly
