SEBIM BEACH PROPERTY OWNERS' ASSOCIATION

June 6, 2022

Mr. Chris Frotten,  
CAO,  
Municipality of Barrington  
2447 Hwy 3  
Barrington NS. B0W1E0

Dear Mr. Frotten,

Please find attached and application for a grant of \$500.00 to improve and maintain the Sebim Beach Property Owners Association (SBPOA) garbage collection area.

In the past two years the Municipality of Barrington Council has generously granted each request we have made. Our garbage collection area serves not only Sebim Beach residents, but also those households on the Villagedale Loop Road and the households in the SandHills Beach area. But the maintenance of this area is solely provided by the SBPOA. We provide the collection bins and pay a summer student to keep the area clean.

We continue to experience abuse of this area by non residents who use these bins to toss in loose garbage, lobster shells, assorted articles that are not picked up by the garbage collectors. We have to personally clean this up and transport these items to the appropriate locations.

Each year we have used the grant to build industrial grade garbage collection boxes. We have placed them on gravel and they are standing up well. Our third box is rotting and critters are gaining access creating yet more mess. The grant we are seeking will be used to cover some material costs as well as compensate our summer student. This third box will meet our existing need for adequate garbage collection for our area.

Thank you for your consideration of our request.

Kindest regards,

Barbara Thompson  
President, SBPOA

1. Please indicate the grant amount for which you are applying: \$ 500.00

2. Please identify the community, area and/or group(s) your organization serves:

We are an association of property owners formed to undertake maintenance and improvement of the roads, beaches, playground, social activities and common property of the Sebim Beach area.

3. Please describe your organization's specific project/program/service:

The SBPOA is responsible for the maintenance of our garbage collection area. We are solely responsible for providing collection bins for waste, recycling and composting. We strive to keep this area, neat, clean and sanitary. To achieve this we hire a summer student to maintain the area and keep property owners and guests aware of rules and regulations. This grant will be used to build a third and final large bin to replace the last bin that is rotting. It will be built with the same industrial grade materials as the others. The grant will also be used to support the employment of the summer student.
