To: "cfrotten@barringtonmunicipality.com" <cfrotten@barringtonmunicipality.com>

Chris,

ON behalf of the Barrington and Area Chamber of Commerce, I will be completing a application for a grant for \$2000 from the Municipality Of Barrington for the purchase and installation of a new sign for the Barrington and Area Chamber of Commerce.

I first wanted to provide you with a bit of background before we submit the "Grant Application". I will get the Grant Application our to your next week!!!

The new sign will replace to older one that is just on left hand side of the road as you cross the causeway. The old one has been there for a million years and is pretty much a "Mean Nothing Sign".

The new one was painted by our local talented artist Anne Lovitt and more accurately depicts the local area and really identifies the "Barrington and Area Chamber of Commerce". Also I have attached photos of the old sign and a list of the current members of the Chamber....

We now have a new Board of Directors and a new President...We have some great plans and projects to be "More out there and Move Visible"....I addition we will be expanding our member ship base by sending letters to ALL business in the area requesting that the become a member of the Chamber..

Director

Barrington and Area Chamber of Commerce, including the Town of Clarks Harbour

Hi Carl,

Thanks for reaching out this morning about this and sharing your plans. Anne's painting looks amazing and will definitely revive the sign and beautify that area. The motto is also excellent! It's also exciting to hear that the Chamber has great plans and projects in mind.

For your grant application, I just want to note quickly that grants between \$501 and \$2,5000 require the applicant to fund a minimum of one-third of the total project cost which is to be raised by way of fundraising.

If you have any questions or would like assistance with the grant request, let me know.

Thanks,

Chris Frotten
