Dear Municipality of the District of Barrington,

Not only will it make you feel good, but donating to Western Counties Regional Library's 2022 Adopt-A-Book campaign will make your library and community that much better.

Reading and literacy are vital to an informed, engaged society and a successful, thriving economy. Studies from groups such as the National Center for Education Statistics (NCES) and other industry watchers repeatedly show how higher rates of literacy and reading and early access to books lead to an improved quality of life.

Access to a wide selection of books helps foster reading and lifelong learning. Well-developed literacy skills lead to better performance in school, more employment opportunities, and increased well-being; all of which contribute to healthier lives and communities.

Our 14th Adopt-A-Book campaign runs from October 1 to November 30. Our goal is to raise a minimum of $20,000 within two months in order to add at least 750 new books to library shelves. To achieve this, we need your support.

By supporting the 2022 Adopt-A-Book campaign, you will not only get a sense of satisfaction and well-being, but you can help increase the number of books available to all ages through the public library.

Each donation is important to those library users. One adopted book can be enjoyed by as many as 45 people and can positively impact each and every one of their lives.

Help us continue support a love for reading by adopting a book at your local library. Adopt a book for yourself, in the name a loved one, to honour someone who has played an important role in your life or our community, or just to feel a little better by helping others.

Over the years, the campaigns have added 16,774 new books (valued at $370,733) for people in Digby, Shelburne and Yarmouth counties to enjoy.

Together we can make 2022 another successful Adopt-A-Book campaign year.

Sincerely,

Erin Comeau
Regional Library Director
