Municipality of Barrington  
2447 Highway 3  
Box 100, Barrington, N.S. B0W 1E0

Dear Members:

Thank you for inviting us to attend this meeting in support of our grant proposal.

Wesley United Church was built in 1866 by the dedicated, hard work of the people of Barrington Township. It was decommissioned as a church in 2010. Some of the residents of Barrington decided to take over the responsibility and use it as a Community Centre. The Wesley Heritage Community Seniors Association was registered with the Registry of Joint Stock Companies as a non-profit organization in 2012.

Both the former church and cemetery were registered as Municipal Heritage properties on August 27, 1986. Because of that designation, we as a committee are hoping the Municipality of Barrington will look favourably upon our request of a Municipal grant.

At present we need financial assistance to reshingle a portion of the small front roof. It has deteriorated immensely over the years since the building was purchased. It was not reshingled when the main roof was done. Shingles are coming off and landing on the ground during windstorms. Dry-weathered shingles are subjecting the roof to leak and causing interior damage. We have a quote for labour and materials in the amount of \$6,193.90. This project has to have staging put up which adds to the cost.

Also, during hurricane Dorian, some of the siding was blown off on the northwest side. We have a quote for repairing that project for \$4,486.87. The total cost of these two repairs is \$10,680.77.

From our fundraising efforts we are prepared to pay one third of the cost of the amount. We are asking the Municipality of Barrington for the remainder to make these repairs possible.

In the past, pre-Covid, the upstairs was always used on November 11<sup>th</sup> for Remembrance Day Services. It was always well attended and an important tradition in our community and others. It is our hope to continue this tradition in 2023. Forest Ridge Academy is within easy walking distance from the school if an emergency should occur that cuts off access to the school. We have been designated a "safe place" for the students and teachers.

As a Community Centre, we have been able to maintain the Centre along with the support of dedicated people in the community. Sadly, many non-profit organizations that had to maintain a building no longer exist mostly because of Covid as many activities and events were not able to continue. The WHCSA has provided a safe and friendly environment for our community, seniors, families and new-comers to the area.

During our weekly Tuesday morning "Toonie Tuesday", we have created a positive social atmosphere, teach crafts and other skills, education of health and wellness issues, informative session with guest speakers once a month. For example, Tuesday, February 21, from ten o'clock until noon Sergeant Payne from the RCMP will be talking about how to avoid scams on social media, phone and in the mail. Everyone is welcome to attend this event.

To date we have maintained the Centre from weekly and monthly events such as crafts on chat weekly, exercise classes, board games, a movie afternoon food and yard sales, take out chowder dinners and donations. The last Friday of each month a Pot Luck Supper and Kitchen Party is held.

Thank you for your consideration to our grant request.

Respectfully,

Patricia Hudson  
President

**WESLEY HERITAGE  
COMMUNITY  
CENTER**  
150 Anniversary 2016

A large, white ecclesiastical building located on the western side of Highway 3, Barrington Head, Nova Scotia, the Wesley United Church is a somewhat imposing building in the small community. The front elevation with a large central tower faces Barrington Bay. The Municipality of the District of Barrington registered the church and cemetery on August 27, 1986.

2288 Highway 3  
Barrington Head, Nova Scotia

*Center is open to all members.*

*Shingles have been replaced and new gutter installed. In need of bookshelves.*

You will notice that the pew arms hold the original brass numbers which identified the family who paid yearly rent.

Overhead hang six aged candelabras converted from gas to electric.

Formerly, the pews crowded the pulpit more closely, two sets were removed in the 1970's allowing space for performances at the front.

Wesley Center is 150 years old (2016) which along with other features insures a place in the undesignated Heritage Village of Barrington.

## **Wesley Heritage Community Senior's Association Objectives**

- social enhancement and interactivity of members and other community groups of all ages, programs initiated by the membership of participating groups
- social activities-sports, art and crafts, games, concerts, travel groups, music, nature and hiking clubs
- fund raising for New Horizon's and other groups, (ample facilities for teas, suppers, concerts, etc.)
- promoting volunteerism among seniors and younger generations with the objective of enhancing the capacity of the community to address short and long term issues
- provide meeting place for community gatherings: a setting for weddings, memorial services and musicals in the sanctuary, reception room available in lower level

The church and cemetery (home base to the Association) are Municipal Heritage Properties closely located and related to other historical sites in the village. The importance of the building to the heritage of the community is significant to our intent and purpose.

## **THE COMMUNITY NEEDS ---**

### **Wesley United Church, Barrington, as a Heritage Church, Cultural and Community Centre, Senior's Group, etc.**

**Needed for---** Remembrance Day Services, marriages, concerts, plays, musical performances (*in the sanctuary upstairs*); suppers, teas, art classes and exhibits, quilt shows, craft groups, youth groups, community meetings, emergency food services. (*kitchen and auditorium*)

**Attributes---** passes fire inspection, new roof in 2009, full exterior siding, declared structurally sound by qualified engineer.

It has a well equipped kitchen, auditorium, 3 meeting rooms on 1<sup>st</sup> floor and a removable stage upstairs.

#### **Historical Features:**

- Qualifies as a church museum and concert place with the best acoustics in the area, *second only to the Old Meeting House.*
- The sanctuary has the original sheathed ceiling and decorative corner posts, spiral staircases, balcony, electrified antique chandeliers, heavy arched doorways and windows.
- The rounded pulpit, altar and pews, designed to characterize the Methodist churches of the 1800's, remain unaltered. The arms of each pew display their original brass rental numbers.

**This Church is valuable part of our Heritage village nearby and is a registered Municipal Heritage Property. The building was erected in 1866 to replace the former chapel built in 1816.**

**P.S. The old bell in the tower waits to be rung for joyful occasions: In the past it announced fires, weddings, births, deaths, Sunday services, Sunday School picnics and a call for community emergencies.**
