

Retirement of Master Corporal Steven. E. Neville

Dear Warden,

I am writing to you today with the hope that your office will recognize the distinguished career of our Canadian Coastal Radar Site Technician. MCpl Neville is a resident of Reynoldscroft in Shelburne County, and will be staying in the area upon retirement on the 15th of May.

I am in the process of putting in place a retirement ceremony for MCpl Neville so that we have the honour to say farewell to this individual in a manner commensurate with his rank and in keeping with the many outstanding contributions he has made; both in the service of Canada and to his community.

Given that MCpl Neville has served with loyalty in Canadian Coastal Radar Site Barrington for the past six years of his thirty year career, we are arranging a special farewell for him and his family. Therefore sir, it is respectfully requested that a formal letter of congratulations, be prepared with your signature to recognize MCpl Neville's long and distinguished career. The letter will be placed in an album as a keepsake for MCpl Neville.

Having said that sir, it would be very much appreciated and extremely meaningful to all of us if you were to acknowledge MCpl Neville's outstanding career with a letter signed by yourself as Warden of the Barrington Regional Municipality. My fellow Air Force technician's believe that the significance of this letter will express to MCpl Neville the esteem with which he is regarded by his country, his province and the Canadian Forces. Your consideration and support would be greatly appreciated.

Yours truly,

Sgt/ Sgt Stacy Waye, CD1
