Water Concerns – Update 2018

Fire Departments within the Municipality of the District of Barrington are putting the following measures in place to help residents who are dealing with a lack of water due to the dry conditions that we have been facing this summer.

Woods Harbour Shag Harbour Fire Department

If you live in the Woods Harbour Shag Harbour fire coverage area they will deliver water to you.

During business hours for water call West Nova Fuels at 902-723-2455.

Call this number any time and leave a voice mail 902-635-3000.

Your message must have your name, phone number and civic address.

Water will be delivered most evenings.

You must have your own container in place for us to dump the water in.

We will not dump water into a well.

When the water is delivered you must sign a waiver.

The water is **NON-POTABLE. NOT FOR DRINKING.**

Water at the Woods Harbour Shag Harbour Fire Hall.

A water hose is located at the hall but you must contact a member to get access.

The water is **NON-POTABLE. NOT FOR DRINKING.**

Please remember that the following services are also in place for those residents who are dealing with a lack of water due to the drought:

- **Showers** are available at the Sandy Wickens Memorial Arena - Monday to Friday, 9 am to 5 pm, at the present time.
- **Washers** are available for use at the Barrington Ground Search and Rescue Building, in Barrington Passage - Monday to Friday 5 pm to 9 pm
- **Non-Potable water supply** is available at Sherose Island. This water is **not** safe for drinking.

Council is seeking help from other sources to maintain a potable water supply should our situation worsen.

Council and staff would ask that you check on your friends and neighbours, especially those most vulnerable, to ensure that everyone is finding access to drinking water.
