Post Your Civic Number

When First Responders drive towards your home, can they see your civic number from the roadway?

If you can't see your civic number at night from the roadway, neither can our First Responders

An ocean of opportunity

The Municipality of Barrington's Civic Addressing By-Law requires all property owners within the Municipality to post REFLECTIVE civic numbers on their properties to enable emergency vehicle drivers to locate them quickly.

A Civic Address is the identification number used by emergency responders to locate your property when a 911 call is placed.

Civic Numbers can be purchased from the following businesses within the Municipality.

Causeway Computers (signs & posts)
902-637-3733

Ocean Computer
