

Request for Proposals

North East Point Waterfront Development
Municipality of Barrington

The Municipality of Barrington invites requests for proposals for the re-construction and construction of the rock wall/breakwater and infilling at McGray Avenue, North East Point, Cape Sable Island. The work will mainly consist of re-constructing the rock wall/breakwater with the existing rocks and adding new rocks if necessary while maintaining the original footprint of the wall and infilling with rock and/or pit run gravel to make it level for the construction of a boardwalk.

All work at this site must be carried out in accordance with the requirements of the Department of Natural Resources and the Department of Fisheries and Oceans. There will be a mandatory On-site Meeting for all interested parties on November 10, 2015, at 3:00 p.m.

Sealed proposals, clearly marked **“North East Point Waterfront Development – Rock Wall”** must be received at the Municipal Office not later than 2:00 p.m., Friday, November 13, 2015. Tenders will NOT be accepted by email or fax.

Proposals will be opened publicly by Municipal Staff on Friday, November 13, 2015 at 2:45 p.m., in the Conference Room, in the Administrative Centre, 2447 Highway No. 3, Barrington, N.S., for review and recommendation to Council.

The successful proponent will be required to provide adequate insurance coverage with the Municipality named as “Additional Insured” and a copy of a Letter of Good Standing with the Workers Compensation Board.

The Municipality reserves the right to reject any or all proposals, not necessarily accept the low proposal, to accept any proposal which it may consider to be in its best interest, or to waive formality, informality or technicality of any proposal.
