## EMPLOYMENT OPPORTUNITY

### Public Works Technician – Full-time Permanent

The Municipality of Barrington is now accepting applications for an experienced, enthusiastic, and career-minded person to fill the role of **Public Works Technician**.

The Public Works Technician will be responsible to assist in the operation and maintenance of all municipal properties, including all municipal wastewater treatment systems, all municipally owned buildings and properties, the Construction & Demolition Debris Disposal Site and the Recreation Complex.

The ideal candidate would have a government trade certification or possess red-seal certification, a minimum of two (2) years of experience in the field and the knowledge of preventative maintenance programs for fleet and infrastructure.

In addition, the candidate should also have the ability to operate a variety of maintenance equipment safely and efficiently, to work unsupervised, independently and as part of a team, to respond to situations as they arise with minimal supervision, to work evenings on occasion and attend to emergency calls; and to handle physically demanding work.

**Interested candidates are invited to send in their resume with a cover letter to [Ldeon@barringtonmunicipality.com](mailto:Ldeon@barringtonmunicipality.com) no later than 4:30 p.m. on April 17, 2026.**

\*A copy of the job description can be obtained upon request.
